The Board also prohibits retaliation against any district employee or job applicant who complains, testifies, assists, or in any way participates in the district's complaint procedures instituted pursuant to this policy.

Any district employee who engages in prohibited discrimination, harassment, or retaliation or who aids, abets, incites, compels, or coerces another to engage or attempt to engage in such behavior in violation of this policy shall be subject to disciplinary action, up to and including dismissal.

Complaint Procedure

Any complaint by an employee or job applicant alleging discrimination or harassment shall be addressed in accordance with the following procedures:

1. Notice and Receipt of Complaint: Any employee or job applicant (the "complainant") who believes he/she has been subjected to prohibited discrimination or harassment shall promptly inform his/her supervisor, the Coordinator or Director of Human Resources for Nondiscrimination in Employment, or the Superintendent Chief Learning Officer.

The complainant may file a written complaint in accordance with this procedure, or if he/she is an employee, may first attempt to resolve the situation informally with his/her supervisor.

A supervisor or manager who has received information about an incident of discrimination or harassment, or has observed such an incident, shall report it to the Coordinator or Director of Human Resources, whether or not the complainant files a written complaint.

The written complaint should contain the complainant's name, the name of the individual who allegedly committed the act, a description of the incident, the date and location where the incident occurred, any witnesses who may have relevant information, other evidence of the discrimination or harassment, and any other pertinent information which may assist in investigating and resolving the complaint.

(cf. 0410 - Nondiscrimination in District Programs and Activities)
(cf. 4030 - Nondiscrimination in Employment)
(cf. 4032 - Reasonable Accommodation)
(cf. 4119.11/4219.11/4319.11 - Sexual Harassment)

2. Investigation Process: The Coordinator or Director of Human Resources shall initiate an impartial investigation of an allegation of discrimination or harassment within five school days of receiving notice of the behavior, regardless of whether a written complaint has been filed or whether the written complaint is complete.

The Coordinator or Director of Human Resources shall meet with the complainant to describe the district's complaint procedure and discuss the actions being sought by the complainant in response to the allegation. The Coordinator or Director of Human Resources shall inform the complainant that the allegations will be kept confidential to the extent possible, but that some information may be revealed as necessary to conduct an effective investigation.
If the Coordinator or Director of Human Resources determines that a detailed fact-finding investigation is necessary, he/she shall begin the investigation immediately. As part of this investigation, the Coordinator or Director of Human Resources should interview the complainant, the person accused, and other persons who could be expected to have relevant information.

When necessary to carry out his/her investigation or to protect employee or student safety, the Coordinator or Director of Human Resources may discuss the complaint with the Superintendent Chief Learning Officer or designee, district legal counsel, or the district's risk manager.

The Coordinator or Director of Human Resources also shall determine whether interim measures, such as scheduling changes, transfers, or leaves, need to be taken before the investigation is completed to ensure that further incidents do not occur. The Coordinator or Director of Human Resources shall ensure that such interim measures do not constitute retaliation.

3. Written Report on Findings and Corrective Action: No more than 30 days after receiving the complaint, the Coordinator or Director of Human Resources shall conclude the investigation and prepare a written report of his/her findings. This timeline may be extended for good cause. If an extension is needed, the Coordinator or Director of Human Resources shall notify the complainant and explain the reasons for the extension.

   The report shall include the decision and the reasons for the decision and shall summarize the steps taken during the investigation. If a determination has been made that discrimination or harassment occurred, the report also shall include any corrective action(s) that have been or will be taken to address the behavior, correct the effect on the complainant, and ensure that retaliation or further discrimination or harassment does not occur.

   The report shall be presented to the complainant, the person accused, and the Superintendent Chief Learning Officer or designee.

4. Appeal to the Governing Board: The complainant or the person accused may appeal any findings to the Board within 10 working days of receiving the written report of the Coordinator or Director of Human Resources findings. The Superintendent Chief Learning Officer or designee shall provide the Board with all information presented during the investigation. Upon receiving an appeal, the Board shall schedule a hearing as soon as practicable. Any complaint against a district employee shall be addressed in closed session in accordance with law. The Board shall render its decision within 10 working days.

Other Remedies

In addition to filing a discrimination or harassment complaint with the district, a person may also file a complaint with either the California Department of Fair Employment and Housing (DFEH) or the Equal Employment Opportunity Commission (EEOC). The time limits for filing such complaints are as follows:

1. To file a valid complaint with DFEH, within one year of the alleged discriminatory act(s), unless an exception exists pursuant to Government Code 12960 (Government Code 12960)

2. To file a valid complaint directly with EEOC, within 180 days of the alleged discriminatory act(s) (42 USC 2000e-5)
