Getting Started

If you need your prescription filled right away, ask your doctor to write two prescriptions for your long-term medicines:

- The first for a short-term supply (e.g., 30 days) to be filled right away at a participating retail pharmacy
- The second for the maximum days supply allowed (up to a 90-day supply) with as many as three refills (if appropriate) to be mailed to CVS Caremark Mail Service Pharmacy

If you're not in a hurry, just mail your prescription for a 90-day supply (with any appropriate refills) to CVS Caremark.
