

Parent Superintendent Advisory Committee

Meeting Minutes

May 23, 2017

In attendance: Parents: Brianne Hipsley, Karen Plank, Lisa Holan, and Irene Marquez;  
TTUSD Staff: Dr. Leri, Dr. Asrani, Kelli Twomey

- Introductions were done around the room and then Dr. Leri reviewed the district's meeting norms.
- Dr. Leri shared district updates and what there is to celebrate about what's right in Tahoe Truckee. He also shared an update on the budget and the fact that the district is growing. Enrollment grew last year by 145 and he anticipates another 100 this coming school year. This growth has a significant impact on our budget as a Basic Aid district. The district is hiring eight new teachers to account for growth and maintain small class sizes.
- Dr. Asrani gave an update on the LCAP. She reviewed a handout with the group that had a detailed overview of the district's LCAP. The LCAP is still in draft format and will go to the Board of Education on June 7, 2017 for approval.
- Dr. Asrani gave an update on programs from Educational Services including summer programs (STEAM Academy, K- Camp, and Summer Scholars) and Adult Education.
- Dr. Leri shared background information on Measure A. Each parent received a copy of their school's Measure A Impact Report for reference. The timing for when Measure A will be up for renewal was also discussed.
- Kelli Twomey shared the new resources posted on the website under the Parents and Students drop down menu, called "Current Trends Affecting Youth." She also solicited input on the district's newsletter and how often parents would like to receive it.
- School updates from parents in attendance:
  - Lisa Holan shared information about Glenshire. Respondents to parent survey is lower than last year but for the most part the feedback was positive. Irene Marquez shared information about the success of Dia del

*Thank You!*

Niño at Kings Beach and a few other activities at school. Karen Plank shared updates for Donner Trail Elementary including that the Lahontan Cutthroat Trout hatched and were released in the Truckee River. Chicks are hatching as well and. May 24 is Tech Night at Donner Trail. Brianne Hipsely shared updates about North Tahoe School including the recent Tea Dance for seventh-graders and upcoming Mono Lake trip for the sixth-graders. She shared her input about the need to better communicate to parents about the school survey.

- Dr. Leri announce Upcoming board meeting
  - June 7, 2017 – Recognition of 2017 retirees as well as Winter & Spring Scholar Athletes

*Thank You!*
