

Parent Superintendent Advisory Committee  
December 13, 2016

Superintendent Chief Learning Officer Rob Leri welcomed the group and introductions were given around the room. Dr. Leri shared the meeting norms with the committee.

Following the theme of the 2016-2017 school year, Dr. Leri touched on what we have to “Celebrate about What’s Right in Tahoe Truckee” including the fact that three student athletes from NTHS named State Athletes

An update on the LCAP was given by Fal Asrani, Deputy Chief Learning Officer, Educational Services

Dr. Asrani shared in detail a three-page handout that gives an overview of the District’s redesigned LCAP goals and actions that support and align with the District’s Strategic Plan, Pathways 2020. The handout included the proposed additional investments.

Dr. Leri reviewed the approved propositions from November’s election and how they affect the school district. The important ones he highlighted were:

Proposition 51: the \$9 billion education facilities bond

Proposition 55: extends the Proposition 30 income tax rates on high-income earners for 12 years

Proposition 56: the \$2 per-pack tobacco tax that will fund various tobacco-related research and healthcare programs

Proposition 58: allows for multilingual education in schools by repealing key elements of Proposition 227

Dr. Leri shared various updates from the school district.

School Updates

Parents from Glenshire Elementary, Donner Trail Elementary, Alder Creek Middle School, North Tahoe School, and North Tahoe High School shared updates from their schools.

Meeting concluded at approximately 10:05 a.m.

*Thank You!*
