REGULATIONS AND POLICIES GOVERNING INTERDISTRICT ATTENDANCE AGREEMENTS

In accordance with Education Code §46600 to 46607, inclusive, and §48204, Sierra-Plumas Joint Unified School District establishes interdistrict agreements which provide for an exchange of pupils.

The Superintendent or designee may deny initial requests for interdistrict attendance permits due to limited district resources, overcrowding of school facilities at the relevant grade level, or other considerations that are not arbitrary.

The Superintendent or designee may approve an interdistrict attendance permit for a student for any of the following reasons when stipulated in the agreement:

1. The student has been determined by staff of either the district of residence or district of proposed attendance to be a victim of an act of bullying as defined in Education Code 48900(r). Such a student shall be given priority for interdistrict attendance under any existing interdistrict attendance agreement or, in the absence of an agreement, shall be given consideration for the creation of a new permit. (Education Code 46600)
2. To meet the child care needs of the student. Such a student may be allowed to continue to attend district schools only as long as he/she continues to use a child care provider within district boundaries.
3. To meet the student's special mental or physical health needs as certified by a physician, school psychologist, or other appropriate school personnel.
4. When the student has a sibling attending school in the receiving district, to avoid splitting the family's attendance.
5. To allow the student to complete a school year when their parents/guardians have moved out of the district during that year.
6. To allow the student to remain with a class graduating that year from an elementary, middle, or senior high school.
7. To allow a high school senior to attend the same school he/she attended as a junior.
8. When the parent/guardian provides written evidence that the family will be moving into the district in the immediate future.
9. When the student will be living out of the district for one year or less.
10. When recommended by the school attendance review board or by county child welfare, probation, or social service agency staff in documented cases of serious home or community problems which make it inadvisable for the student to attend the school of residence.
11. When there is valid interest in a particular educational program not offered in the district of residence.
12. To provide a change in school environment for reasons of personal and social adjustment.
