## 2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2023-24 School Description and Mission Statement

### District Vision

All Tahoe Truckee Unified School District scholars will be provided challenging and engaging learning opportunities in order to thrive and to be successful in a globally competitive age. This goal will be accomplished through collaboration with students, parents, staff, and the community, united in dedication to our children's future. Highly skilled, motivated, and caring principals and teachers will engage scholars in effective and innovative instruction through a rigorous and relevant curriculum that promotes mastery of meaningful content, creativity, critical thinking, teamwork, problem-solving, respect for diversity, the ability to communicate in multiple languages, and the effective use of technology. A culture of quality, accountability, responsibility, and respect shall characterize the school district.

### Community

Encompassing more than 720 square miles, Tahoe Truckee Unified School District is located in the Sierra Nevada Mountains, 100 miles northeast of Sacramento, and 35 miles west of Reno, Nevada. The District serves more than 3800 students in California's Nevada, Placer, and El Dorado Counties. District boundaries stretch from Hobart Mills, eight miles north of Truckee, to Emerald Bay, near South Lake Tahoe; and from Cisco Grove, twenty miles to the west, to Floriston, fifteen miles to the east.

### School Description

Cold Stream Alternative School serves high school students both in Tahoe City and in Truckee. Cold Stream offers an independent study program developed to meet the needs of families who want more choices and flexibility in their child's education. We provide small class sizes or personal instruction along with a rigorous, yet flexible schedule that allows students to work from home or while traveling. Cold Stream offers a project-based, hands-on curriculum. This program gives students the flexibility to design an educational path that works for their needs. Our program affords flexibility for students to pursue other interests or to participate in extra-curricular activities or sports.

### Climate for Learning

At Cold Stream Alternative we value students' voices. Opportunities for input are provided through meetings with staff, community service, sports, student assistance programs, and the development of healthy living practices.

Students at Cold Stream Alternative are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy, and acceptance of others. The school's discipline philosophy promotes a safe school, a warm, friendly

## 2023-24 School Description and Mission Statement

classroom environment, and demonstrates that good discipline is a solid foundation on which to build an effective school. Students and teachers worked together to determine CSA's core values of respect, responsibility, teamwork, and fun, which serve as the foundation for the school's educational and social climate. School rules are shared with students and parents in the student handbook and are reinforced throughout the year at assemblies, on the school website, in school publications, and through parent-teacher conferences.

### School Leadership

School Leadership at Cold Stream Alternative is a responsibility shared among the District administration, the principal, instructional staff, students, and parents. Staff members are encouraged to participate on various committees that make decisions regarding the priorities and direction of the educational plan. These committees ensure that instructional programs are consistent with students' needs and comply with district goals. Avenues of opportunity include Student Study Team, Leadership Team, Safety Committee, English Learner Advisory Committee (ELAC), and School Site Council.

## **A. Conditions of Learning** **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

## 2020-21 Teacher Preparation and Placement

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Teacher Preparation and Placement

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## Teachers Without Credentials and Misassignments (considered “ineffective” under ESSA)

Authorization/Assignment	2020-21	2021-22
Permits and Waivers	0.00	0.00
Misassignments	0.00	0.00
Vacant Positions	0.00	0.00
<b>Total Teachers Without Credentials and Misassignments</b>	0.00	0.00

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Credentialed Teachers Assigned Out-of-Field (considered “out-of-field” under ESSA)

Indicator	2020-21	2021-22
Credentialed Teachers Authorized on a Permit or Waiver	0.00	0.00
Local Assignment Options	0.60	0.50
<b>Total Out-of-Field Teachers</b>	0.60	0.50

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

## Class Assignments

Indicator	2020-21	2021-22
<b>Misassignments for English Learners</b> (a percentage of all the classes with English learners taught by teachers that are misassigned)	0	0
<b>No credential, permit or authorization to teach</b> (a percentage of all the classes taught by teachers with no record of an authorization to teach)	0	0

The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

<b>Mathematics</b> (grades 3-8 and 11)	--	--	50	48	33	34

## 2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. ## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2023-24 Opportunities for Parental Involvement

Parent and community involvement are what make Cold Stream Alternative program thrive. Regardless of family income, education, or cultural background, children whose parents are involved in their education earn higher grades, have higher test scores, have more consistent attendance, demonstrate better social skills, have higher self-esteem, and adapt better to the school environment than those whose parents aren't involved. Although TTUSD greatly values our numerous parent volunteers, parent involvement doesn't have to be at the school. We encourage parents to talk with their children about what they are learning and any challenges that they are facing. Equally, we remind parents the importance of providing encouragement and affirmation. Parents of full-time Cold Stream Alternative students are expected to attend our Credit Update Nights each semester. These nights focus on reviewing student progress, growth, areas of need, and credit review.

## 2023-24 School Safety Plan

The safety of students and staff is a primary concern of Cold Stream Alternative. All visitors to the campus must sign in at the office and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among support staff, teachers, and the administration. Our Cold Stream Alternative classrooms are on comprehensive high school sites, so staff and students follow and adhere to the safety rules of that particular school.

The School Site Safety Plan was most recently revised in the Spring of 2023 by the Safety Committee. The Safety Plan is reviewed with all staff members at the beginning of each school year. The safety plan for Cold Stream Alternative follow the same safety plan as the host high school. Key elements of the Safety Plan focus on the following:

- School rules & procedures
- Sexual harassment policy
- Current status of school crime
- Notification to teachers
- Child abuse reporting procedures
- School wide dress code
- Policies related to suspension/expulsion
- Disaster procedures/routine & emergency drills
- Safe ingress & egress of pupils, parents, & school employees
- Healthy Kids Survey Results
- ALICE training safety protocol

The school and program are in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during an

## Professional Development

Educational research supports that the most critical factor contributing to a student's success in school is the quality of the teaching. Tahoe Truckee Unified School District better ensures high level teaching and learning via research-based professional development (PD.) A variety of options are available and range from formal-type workshops/seminars and informal types such as collaboration among colleagues, independent reading, observing a colleague's lesson. The frequency of PD varies with the structure and purpose.
