2022-2023 School Accountability Report Card (Published During the 2023-2024 School Year)

General Information about the School Accountability Report Card (SARC)

SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

2023-24 School Description and Mission Statement

District Vision

All Tahoe Truckee Unified School District scholars will be provided challenging and engaging learning opportunities in order to thrive and to be successful in a globally competitive age. This goal will be accomplished through collaboration with students, parents, staff, and the community, united in dedication to our children's future. Highly skilled, motivated, and caring principals and teachers will engage scholars in effective and innovative instruction through a rigorous and relevant curriculum that promotes mastery of meaningful content, creativity, critical thinking, teamwork, problem-solving, respect for diversity, the ability to communicate in multiple languages, and the effective use of technology. A culture of quality, accountability, responsibility, and respect shall characterize the school district.

Community

Encompassing more than 720 square miles, Tahoe Truckee Unified School District is located in the Sierra Nevada Mountains, 100 miles northeast of Sacramento, and 35 miles west of Reno, Nevada. The District serves more than 3800 students in California's Nevada, Placer, and El Dorado Counties. District boundaries stretch from Hobart Mills, eight miles north of Truckee, to Emerald Bay, near South Lake Tahoe; and from Cisco Grove, twenty miles to the west, to Floriston, fifteen miles to the east.

School Mission/Vision Statement

TES Mission: By embracing our diverse community, all Truckee Elementary students will be inspired to reach their fullest potential

Vision- What must our school become to achieve its fundamental purpose (compelling future)?

Our students will be lifelong learners and persevere through difficulty.

We provide high level, targeted explicit instruction.

Our students will be engaged, empowered and inspired in their education.

Our diverse school community values our global community and partnerships with families.

We value the uniqueness of each of our students.

We believe in the power of connection and building relationships (between staff and students and among students) in order to have an impact on our students' lives.

2023-24 School Description and Mission Statement

Through our social emotional work on campus our students will be empathetic, respectful and responsible humans. We collaborate interdependently to ensure student success.

School Description

At Truckee Elementary, all students will experience a balanced education addressing the needs of the whole child. For all children to succeed, it is necessary to integrate social, emotional, and physical development with a strong academic program. A challenging academic focus will provide the foundation for the acquisition and mastery of the basic skills, in areas of reading, writing, speaking and listening, mathematics, science, and humanities. With this foundation, children will acquire the tools to be successful in all subject areas. We expect all students to be responsible learners, to self-evaluate, to accept challenges, and to be solution seekers. In preparing for the future, students will have the skills to access information and utilize available resources for further learning. Learning will take place in a positive, safe, and cooperative environment that values individual differences and fosters a feeling of community. We are committed to providing quality education to all students, and we are proud to be a community hub.

Climate for Learning

At Truckee Elementary School we value student's voices. Opportunities for input are provided through class meetings, restorative circles, student leadership groups, surveys, and the development of healthy living practices. Students at Truckee Elementary School are guided by specific rules and classroom expectations that promote respect, responsibility, and safety. The school's discipline philosophy promotes a safe school, a warm, friendly classroom environment, and demonstrates that positive behavior interventions are a solid foundation on which to build an effective school. Students and teachers worked together to determine TE's core values of respect, responsibility, safety, and fun, which serve as the foundation for the school's educational and social culture. School rules are shared with students and parents in the student handbook and are reinforced throughout the year at school-wide meetings, on the school website, in school publications, and through parent-teacher conferences.

School Leadership

School Leadership at Truckee Elementary is a responsibility shared among site administration, the principal, instructional staff, students, and parents. Staff members are encouraged to participate on various committees that make decisions regarding the priorities and direction of the educational plan. These committees ensure that instructional programs are consistent with students' needs and comply with district goals. Avenues of opportunity include Student Study Team, Leadership Team, Safety Committee, English Learner Advisory Committee (ELAC), School Site Council, Parent Teacher Organization, surveys, and social media.

A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

The CDE published the first year of available teacher data for the 2020-21 SARC in June 2022, and the CDE published the second year of data for the 2021-22 SARC in June 2023. The EC Section 33126(b)(5) requires the most recent three years of teacher data to be requested in the SARC, as data is available. The teacher data for the 2022-23 SARC will not be available prior to February 1, 2024, and therefore is not included in the template.

Note: The data in this table is based on Full-Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Subject	School 2021-22	School 2022-23	District 2021-22	District 2022-23	State 2021-22	State 2022-23

2022-23 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

Double dashes (--) appear in the table when the number of students is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

2022-23 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

2023-24 Opportunities for Parental Involvement

Parent and community involvement helps our school thrive. School Site Council, English Learner Advisory Committee (ELAC), and the Parent Teacher Organization (PTO) provide many opportunities for parent participation. The PTO volunteers put on fundraising events to provide additional resources for our students, including enrichment and athletics. Parents are always welcome and encouraged to volunteer at the school and in the classroom and on field trips. We follow our district and state guidelines for volunteer clearance to ensure maximum safety of our students and staff. All volunteers and visitors go through our Raptor security screening prior to advancing to classrooms to, again, ensure our campus safety. Volunteer opportunities are many; some examples include Harvest of the Month's healthy food lessons, weekly help in the classroom, supporting field study trips, and participating in special events. Our families are diverse, and we welcome all parent involvement that reflects this diversity. Our English Learner Advisory Council (ELAC) provides another opportunity for parent involvement and also serves to empower and build capacity of our families of our English Learners. We also have a School Site Council (SSC) whose role is to review student achievement data and decide upon the use of the school budget as it relates to the school's efforts to improve and enhance the instructional program for all students.

2023-24 School Safety Plan

Tahoe Truckee Unified School District
Truckee Elementary School
Safe School Plan

Senate Bill 187 ensures that all California public schools, grades K – 12, work in cooperation with local law enforcement, community leaders, parents, pupils, teachers, administrators, and other persons in the prevention of campus crime and violence, and in developing comprehensive school safety plans that target the safety concerns identified through TTUSD's systematic planning process which involves Truckee Elementary School's Site Safety Committee, the site's Site Safety Lead, the TTUSD District Safety Committee, participation in the Youth Task Force, and other established community collaborations and partnerships.

Encompassing more than 720 square miles, Tahoe Truckee Unified School District is located in the Sierra Nevada Mountains, 100 miles northeast of Sacramento, and 35 miles west of Reno, Nevada. The District serves more than 4,000 students in California's Nevada, Placer, and El Dorado Counties. District boundaries stretch from Hobart Mills, eight miles north of Truckee, to Emerald Bay, near South Lake Tahoe; and from Cisco Grove, twenty miles to the west, to Floriston, fifteen miles to the east.

About Truckee Elementary School

Operating on a traditional calendar schedule, Truckee Elementary served approximately 460 students in grades transitional kindergarten through fifth-grade during the 2022-2023 school year. Our school also housed a State Preschool program which served about 50 students. According to the California Department of Education data, the 2022 student population consisted of 56% Hispanic or Latino, 37% White, .23% American Indian, .23% African American, .23% Asian; 46% English Learners, and 56% Socioeconomically Disadvantaged. We are proudly a diverse Title 1 school that houses a variety of district special education classrooms and embraces a full inclusion model of our students with special needs. This inclusive environment supports all of our students to be accepting, kind, and empathetic.

2023-24 School Safety Plan

Teachers and staff are dedicated to ensuring the academic success of every student and providing a safe and productive learning experience. The school has developed educational programs designed to provide the skills and tools necessary for students to explore their creativity while developing a strong educational base. Students at Truckee Elementary are guided by specific rules and classroom expectations that promote respect, cooperation, courtesy, and acceptance of others. The school's positive behavior philosophy promotes a safe school, a warm, friendly culture and demonstrates that high expectations and restorative practices ensure a solid foundation on which to build an effective school. The school has established the following reasonable expectations as part of our Positive Behavior Intervention System (PBIS): Be Safe, Be Responsible, and Be Respectful.

The safety of students and staff is a top priority at Truckee Elementary. All visitors to the campus must sign in at the office, be cleared through our Raptor security background check, and wear a visitor's pass at all times. Supervision is provided to ensure the safety of each student before school, during breaks, at lunch, and after school. Supervision is a responsibility shared among support staff, teachers, and the administration. We maximize supervision time to uphold our school expectations to be safe, responsible, and respectful and incorporate restorative practices and mindfulness during these times to support social-emotional growth of our students.

The School Site Safety Plan was most recently revised in Spring 2023 by site administration; revisions were made based on review and input by site leadership, School Site Council, ELAC, local emergency organizations, California School Employees Association representatives, and Tahoe Truckee Education Association representatives. The Safety Plan is reviewed with all staff members at the beginning of each school year. Key elements of the Safety Plan focus on the following:

- (A) Child Abuse Reporting Procedures (EC 35294.2 [a] [2]; PC 11166)
 - (B) Disaster Procedures (EC 35295-35297; GC 8607 and 3100)
 - (C) School Suspension, Expulsion and Mandatory Expulsion Guidelines
 - (D) Procedures to Notify Teachers of Dangerous Pupils (EC 49079)
 - (E) Sexual Harassment Policies (EC 212.6 [b])
 - (F) School-wide Dress Code Relating to Gang-Related Apparel (EC 35183)
 - (G) Procedure for Safe Ingress and Egress of Pupils, Parents, and Staff to and from School (EC 35294.2)
 - (H) A Safe and Orderly School Environment Conducive to Learning (EC 35294.2)
 - (I) School Discipline Rules and Consequences (EC 35291 and EC 35291.5)
 - (K) Hate Crime Reporting Procedures and Policies
 - (J) Procedures to Prepare for Active Shooters
- Procedures for Preventing Acts of Bullying and Cyber-bullying

The school is in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. The school's disaster preparedness plan includes steps for ensuring student and staff safety during an emergency. Evacuation, Shelter-in-Place, and/ or Duck/Cover/Hold drills are conducted on a monthly basis throughout the school year. In addition, Truckee Elementary participates in monthly ALICE drills including enhanced lockdowns, evacuations to off-site rally points and counter activities to prepare for an armed intruder event.

Truckee Elementary School continually strives to be a community hub and respected place of learning where all individuals feel safe, cared for, and connected.

Professional Development

Educational research supports that the most critical factor contributing to a student's success in school is the quality of the teaching. Tahoe Truckee Unified School District better ensures high level teaching and learning via research-based professional development (PD.) A variety of options are available and range from formal-type workshops/seminars and informal types such as collaboration among colleagues, independent reading, observing a colleague's lesson. The frequency of PD varies with the structure and purpose.
